SOME FACTS ABOUT

The Northwestern

MUTUAL LIFE INSURANCE COMPANY,

Of Milwaukee, Wisconsin.

ORGANIZED IN 1857, A PURELY MUTUAL COMPANY.

Total Assets, January 1, 1912,	**$285,575,219.44**
Total Insurance in force in Connecticut,	**20,260,366.00**
New Business in 1911 in Connecticut, over	**2,000,000,00**
Total Dividends in 1911,	**12,610,321.25**
Total Dividends in 1912,	**13,105,862.91**
Total Amount of New Business in United States in 1911,	**121,234,473.00**

And more than 30% of this large amount of new business in the past year came from those already insured in the Company—the strongest endorsement of the Company's Methods and Results.

The new (1912) contract of this Company carries far more than the usual protection of sound life insurance.

Its Guaranteed Values, Paid-up and Endowment Options and Life-Income provisions, all in one contract, constitute a solid, dependable, permanent addition to your properties.

No better way to strengthen your estate, protect your personal and business interests and safeguard your own later years.
